Fill me with You - purest worship - closer - take away the distractions- cares/
worries of this world

I'm close to Heaven, and Heaven's come close to me
I'm gazing on those things above, oh You gaze on me
Can my life be a fragrant prayer - a song from my heart to Your's?

Heaven draws near to me.....

Whatever I do - it's for You.... simple heart of love
May my life be a sweet, sweet fragrance -
A prayer of love to please Your heart - just because You're so worthy, worthy

Radiant Heavenly Beauty - Sunshine of Heaven!
Be the joy in my heart - my Friend - I devote myself to You - deep pleasure

Be all my devotion - show me how to love You more!
Covering of Blood - You have won my heart
This communion, this knowing, this waiting, this longing

Draw me close to Heaven's Flame of Love

Fresh oil anointing - prepared for Your return - the oil of "knowing"
Then will come affliction, tribulation - and MANY will stumble, fall away - offended,
mistrusting.....
And the Love of MANY will grow cold because of lawlessness, offences, iniquities
BUT he who endures to the end will be saved

Show me, Faithful One - reveal Your heart
Keep me hiding in Your heart, and devoted to Your words of Love
Let nothing come between us - keep my heart fervent, true - only for You
(Hour by hour)
Keep me close to Heaven's Flame - Oh to see the Beauty again
